# NOVEMBER RALLY REPORT

## Deloraine Pony Club Grounds

*Jenna Sommerville*

Our last rally for the year and it was a cracker! 🤩

Deloraine Pony Club kindly let us hire their amazing grounds for the day and we were well supported with a great turnout of horses and riders.

Our instructors Reegan Heathcote and Mattea Kersnovski had a variety of flat exercises to keep our minds and bodies moving in all directions while instructor Judy Kilby built us a small jumps course to work up to. David Quinn was back for our ever popular Settling In.

Those that stayed after lunch were split into two groups and Judy Kilby and Reegan Heathcote took us through a confidence building cross country session to end the day.

We appreciate all the riders who participated and helped set up and pack away the show jumps. We also appreciate our knowledgeable instructors who share their incredible experience and knowledge, and of course the NARC committee members who do a lot behind the scenes to ensure days like this run smoothly and are enjoyed by all.

Don't forget to check out the video compilation on our facebook page capturing some awesome highlights of the day. It's a long one, but there was so much going on!

Cheers, and we will see you at the next one! 🙌

## Vale Geoff King

It is with great sadness that Geoff King, a one time member and avid supporter of NARC's Agility Days has passed away. He was a well known member of the horse industry for many years and spent many a day helping and supporting our members at NARC Agility Clinics and NARC Rally Days. May he be riding Shacko in heaven

## NAN CATMUR

**Obstacle Instruction, Building Partnerships and Confidence Lessons at Nan's Riding School, Longford**

\*Private one on one lessons, or Group lessons available (Max 4 people)

These Lessons will help riders prepare their horses for success in Obstacle Work. In these sessions we will break down the basics required for manoeuvring your horse efficiently through a course of diverse obstacle challenges. We will be covering turning movements, effective desensitising strategies, timing and approach and retreat strategies for building confidence and a strong partnership with your horse. We will make sure you and your horse are on the same page.

For Private Bookings Contact Nan on 0428 578 779 or email: [nansridingschool@gmail.com](mailto:nansridingschool@gmail.com)

## PLAY DAYS

NARC hold Play Days for current members at Westbury. The focus will be obstacles and desensitization. Dates are announced via the NARC Facebook page and will include midweek and weekends.

This is planned as a fun and relaxed outing for members to bring horses of any skill level. Young or even retired horses are welcome. Ridden or unriden, it is an outing to spend in the company of your equine and club friends.

Only one horse per person.

There is no formal instructor, rather two club committee members will be present to brief the attendees. The first hour will not be under saddle and the second hour is optional to be ridden. Cost is \$10 for two hours usually 10am to 12pm. Please book and pay via the NARC website to ensure the day goes ahead.

Please be there by 9.30 to help set up equipment and help to dismantle is required.

Bring a packed lunch to enjoy after the activities. Check the club Facebook page by 8.00am on the day for cancellation notice if the weather looks questionable. Approved safety helmet and appropriate riding boots need to be worn.

## CONCUSSION POLICY

In line with Equestrian Australia recommendations, at all NARC events the Concussion Recognition Tool 5 ® will be used to screen all individuals who have potentially sustained a concussion.

It is NARC policy that following any fall at a NARC event is managed in accordance with the Equestrian Australia concussion guidelines and Incident Reporting. You will be asked to acknowledge and adhere to these guidelines when you book for an event.

If concussion is suspected, then the rider must not remount their horse or drive home. Their emergency contact will be contacted by the club to ensure their safety.

Further details are available on the Equestrian Australia website [www.equestrian.org.au](http://www.equestrian.org.au).

## HELMET STANDARDS

At all NARC events, protective headgear must conform with one of the currently approved safety standards to comply with Equestrian Australia regulations.

- Current Australian standard AS/NZS 3838 (2006 onwards) provided they are SAI Global marked.
- New Australian standard ARB HS 2012 provided they are SAI Global marked
- Current American standard ASTM F1163 (2004a or 04a onwards) provided they are SEI marked
- Current American standard SNELL E2001
- Current British standard PAS 015 (1998 or 2011) provided they are BSI Kitemarked
- Interim European Standard VG1 (01.040: 2014-12) with or without BSI Kitemark

Helmet Manufacturers generally recommend replacing your helmet every 5 years or so.

If you have a hard-blow impact accident while wearing your helmet, it is recommended to immediately replace it for a new model. There may be damage to the helmet that is not visible to the naked eye
